MEMORANDUM FOR THE RECORD

SUBJECT: DDP War Planning

1. [redacted] of the PPC/DDP Staff stopped by this morning to leave a copy of Annex I of the Global War Plan for Clandestine Operations for coordination. Annex I deals with the functions under the jurisdiction of the Technical Services Staff and it is not likely to be of major interest to the DDI Area. They briefed me on the general status of war planning, and I agreed to call them within a few days about our views on Annex I. 25X6

2. In the course of our discussion, [redacted] said that there had been no effort so far to forecast CIA requirements on the Clandestine Services in the event of war. He felt that it would be desirable if some idea could be obtained of the impact of CIA requirements on the wartime operations of the Clandestine Services. 25X6
